Clinic Directors: Jennifer Klemp, PhD, MPH, & Lauren Nye, MD

Clinic Facilitator: Eve-Lynn Nelson, PhD

Target Participants: Physicians, APPs, nurse clinicians, navigators, cancer registrars, quality team members, and other care team members

Clinic Objectives:
- Improving access to evidence-based care for your patient and their families.
- Improving the overall knowledge of guideline-based genetic testing and evidence-based practice management.
- Increasing the number of eligible patients with breast cancer who access/undergo genetic counseling and testing.
- Decreasing barriers to accessing timely genetic counseling and testing.
- Helping meet national accreditation standard requirements (e.g., NAPBC, COC) surrounding genetic counseling & continuing education.

Zoom Connection:
- https://kumc.zoom.us/j/809964977
- Or join by phone: +1 669 900 6833 or +1 929 436 2866 US Toll
- Meeting ID: 809 964 977

Agenda, July 10, 2019, 4:30 pm - 5:30 pm CST
