**Clinic Directors**  
Jennifer Klemp, PhD, MPH, & Lauren Nye, MD  

**Clinic Facilitator:**  
Eve-Lynn Nelson, PhD  

**Target Participants**  
Physicians, APPs, nurse clinicians, navigators, cancer registrars, quality team members, and other care team members  

**Clinic Objectives**  
Improving access to evidence-based care for your patient and their families.  
Improving the overall knowledge of guideline-based genetic testing and evidence-based practice management.  
Increasing the number of eligible patients with breast cancer who access/undergo genetic counseling and testing.  
Decreasing barriers to accessing timely genetic counseling and testing.  
Helping meet national accreditation standard requirements (e.g., NAPBC, COC) surrounding genetic counseling & continuing education.
