Tips:

Check to see if your employer has an Employee Assistance Program (EAP) such as New Directions. The EAP will give you a list of therapists and will approve a set number of visits to be covered by the EAP.

Go to www.psychologytoday.com to find out more information about the therapist's specialty, therapeutic approaches etc. Note, not all listed below can be found on www.psychologytoday.com.

Once you have selected a therapist, ask for a brief phone call from the therapist to establish if he or she specializes in your needs.
